Expense Reimbursement Policy

1. Submission Deadline

All expense claims must be submitted through the finance system by the 5th day of the month following the expense date. Claims submitted after the deadline are processed in the next monthly cycle.

2. Required Documents

Every claim requires a valid invoice (fapiao) with the company tax ID. Credit card slips alone are not accepted. Missing invoices must be replaced within 30 days or the claim will be rejected.

3. Approval Chain

Claims up to 2,000 CNY require direct manager approval only. Claims between 2,000 and 10,000 CNY require manager and department head approval. Claims above 10,000 CNY additionally require CFO approval.

4. Reimbursable Categories

Reimbursable expenses include business travel, client entertainment, office supplies, and approved training. Personal expenses, alcohol without a client present, and traffic fines are not reimbursable under any circumstances.

5. Payment Timeline

Approved claims are paid by bank transfer within 10 working days after final approval. Payment status can be tracked in the finance system under My Claims.
