Acme Corp Benefits Guide

1. Medical Insurance

All full-time employees are enrolled in the company medical plan from the first day of employment. The plan covers 90 percent of inpatient costs and 70 percent of outpatient costs up to an annual limit of 50,000 CNY.

2. Annual Health Check

One free health check per year is provided for employees who have completed 12 months of service. Booking is handled through the HR portal each October.

3. Learning Budget

Each employee has an annual learning budget of 5,000 CNY for courses, certifications, and technical books. Receipts must be submitted through the expense system with the category Learning and Development.

4. Employee Assistance Program

Confidential counseling is available 24/7 through the Employee Assistance Program. Up to 6 free sessions per year are provided for each employee and their immediate family members.
